

Guests!

Use the directions below for arriving at The Mohicans instead of using GPS systems and do not take Big Hill Road-very steep and rutted and often closed. The roads in the area are unpaved, hilly and steep. Winter road conditions frequently necessitate 4-wheel or all wheel drive vehicles to navigate the roads and drives. Plan accordingly!! Please bring your written directions with you as you may lose service while coming into the area (there are some dead zones!) Only Verizon and ATT covers the area surrounding The Mohicans and the Grand Barn.
